

## **INVESTOR ALERT** against “Blackcore Ltd & Free Zone of Mauritius”

---

It has come to the attention of the Financial Services Commission (the “FSC”) that an entity under the name of Blackcore Ltd is operating an online trading platform (<https://blackcorerb.com/>) and is claiming to be purportedly registered in Mauritius with licence number BL 71368.

It is also noted from another website (<https://invertirenacciones.net/black-core-en-panama-un-broker-confiable/>) that Blackcore Ltd is stating to be supervised by the FSC.

The FSC hereby informs the public that Blackcore Ltd and/or any other individuals or representatives operating under this name are not and have not, at any point in time, been licensed and regulated by the FSC.

It is observed that a [logo](#) of a certain Free Zone of Mauritius appears on the website of Blackcore Ltd.

As per the website of Free Zone of Mauritius (<https://www.mauritiusfz.com/index.html>), the latter is allegedly claiming to be a statutory body responsible for ensuring that the finance industry in Republic of Mauritius is well regulated. Free Zone of Mauritius also avers to be responsible for the licensing, supervision and regulation of financial service providers including international banks, trust companies, insurance companies, mutual funds, corporate service providers, company managers, international business companies, and money transmitter services.

The public is hereby informed that the FSC is the integrated regulator for the non-bank financial services sector and global business in Mauritius whilst the Bank of Mauritius is the central bank of Mauritius and is responsible for the licensing, regulation and supervision of banks and other financial institutions such as non-bank deposit taking institutions and cash dealers.
